STRIKE IS WEAKENING ON COAST

(By Associated Press.)
CHICAGO, April 12.—Developments west of Pittsburgh in the switchmen's unauthorized strike today are regarded by railroad brotherhood officials as pointing toward a gradual dissolution of the insurgent forces but in the east where the walkout was joined in several districts by trainmen, the situation assumed a more serious aspect. In the central and far west numerous reports of defections from the strike ranks followed the report of the first important break at Columbus, O., where 600 switchmen voted to return.

(By Associated Press.)
SACRAMENTO, April 12.—Passenger trains left on schedule time from the Oakland yards today but practically no freight shipments were made. Striking switchmen said they regained recruits over Sunday.

(By Associated Press.)
SAN FRANCISCO, April 12.—The Southern Pacific and Santa Fe railroads began receiving freight shipments today after a partial lifting of embargoes, which has been caused by the strike of switchmen. The strikers claimed they are gaining new strength everywhere in the west.

(By Associated Press.)
CHICAGO, April 12.—Federal District Attorney Clyne told a delegation of leaders of the striking switchmen that if the men refuse to return to work the government will back the railways in declaring their positions vacant and aid in obtaining men to fill them.

SOUTHERN LINES TAKING FREIGHT

(By Associated Press.)
LOS ANGELES, April 12.—Striking switchmen from the yards of the Santa Fe, Southern Pacific and San Joaquin systems are still out today but the Santa Fe announced it was preparing to move freight. All roads announced they are employing new men and would be able to move all shipments in a few days. There are few defections from the strikers' ranks.

ENGINEERS BELIEVE THE TONOPAH DIVIDE VEIN HAS BEEN PICKED UP

Old time buoyancy was reflected today in Victory Divide which rose from the closing of Saturday at 8 cents to 15 cents at the opening this morning in San Francisco. The fact that a strike of some magnitude and still greater significance than what happened on the surface was not generally known as the bid price softened off to 11 at the adjournment of the call. The find was made yesterday when Superintendent Wilson shot into an ore shoot that measured four feet in width. The find was made in a drift from the bottom of the wing which is down 110 feet below the 200 level and about 250 feet from the shaft about 60 feet north of west. Five samples taken yesterday returned from \$87 to \$326 and it is known that in general sample across the face of the ledge yields \$87.62 to \$339.55. If D. King took two samples from the foot of the ledge which he had assured on his own account with the following result that equals the best showing on the Victory Extension for a solid foot of ore. The first sample gave 648 ounces of silver gold worth \$128 and 275.99 ounces of silver valued at \$344.50, making the valuation of the orebody \$472.50. The second sample ran 4.61 ounces of gold valued at \$92.20 and 365 ounces silver valued at \$457.75, making the aggregate return \$549.95.
